

DATA.AI FOR SALESFORCE SUPPLEMENT

- 1. Definitions.** Any capitalized terms not defined in this data.ai for Salesforce Supplement (“Supplement”) will have the meaning set forth in the Agreement.
 - 1.1 “Available Estimates” means the subset of Estimates that data.ai makes accessible on the Salesforce Platform in connection with the CRM Services as listed in the data.ai Help Center, and are considered “Estimates” hereunder.
 - 1.2 “CRM Integration Package” means the executable package made available by data.ai to Customer (including through the Salesforce marketplace) for use by Customer as set forth in this Supplement.
 - 1.3 “CRM Services” means the data.ai for Salesforce services provided by data.ai that allow Customer to access and use the Available Estimates within Customer’s Salesforce Account, and are considered “Services” for purposes of the Agreement.
 - 1.4 “Estimates” has the meaning set forth in the Intelligence Services Supplement.
 - 1.5 “Order Form” means an ordering document for the CRM Services that incorporates this Supplement by reference and is entered into by the parties.
 - 1.6 “Salesforce” means Salesforce, Inc. (or its affiliates, licensors, successors, or resellers, as applicable).
 - 1.7 “Salesforce Account” means an account owned or controlled by Customer for use of the Salesforce Platform.
 - 1.8 “Salesforce Platform” any platform or service provided by or on behalf of Salesforce, with which the CRM Services interface, as described in the documentation for the CRM Services.
- 2. Usage Rights, Provisioning Requirements, Availability.**
 - 2.1 Subject to the terms of the Agreement, in connection with the provision of the CRM Services, data.ai grants to Customer a non-exclusive, non-transferable, world-wide right to access and use the Available Estimates provided via the Services within Customer’s Salesforce Account(s).
 - 2.2 To provision the CRM Services, Customer must install the CRM Integration Package within Customer’s instance of the Salesforce Platform registered to Customer’s Salesforce Account. data.ai grants to Customer a non-exclusive, non-transferable, limited license during the applicable Subscription Term to download (where necessary) and install the CRM Integration Package within Customer’s instance of the Salesforce Platform registered to Customer’s Salesforce Account only and in accordance with any installation instructions provided by data.ai, for Customer’s internal business purposes.
 - 2.3 Customer is required to separately maintain subscriptions to the data.ai Intelligence Services and API access during the entire Subscription Term applicable to the CRM Services as set forth in an Order Form.
 - 2.4 Customer acknowledges that some Estimates included in the data.ai Intelligence Services web portal may not be available via the CRM Services.
- 3. Restrictions.** Except as expressly provided in this Supplement, all rights, restrictions, and limitations applicable to Services and Estimates (and Customer’s access to and use thereof) remain as set forth in the Agreement. Furthermore, Customer shall not sell/resell, redistribute, alter, modify, decompile, or disassemble the CRM Integration Package, or otherwise seek to view or access its source code (except and only to the extent any such right to do so under applicable law cannot be limited or waived).
- 4. Salesforce Platform; Salesforce Account.**

Customer is responsible for maintaining a Salesforce Account enabling its use of the Salesforce Platform, which is subject to and governed by the terms of a separate agreement between Customer and Salesforce. Customer acknowledges that utilizing the CRM Services to receive and use the Available Estimates on the Salesforce Platform may cause Customer to incur fees with Salesforce, and Customer is solely responsible for the payment of any such fees. data.ai does not license, support, control, endorse or otherwise make any representations or warranties regarding, and shall have no liability associated with, the Salesforce Platform or the Available Estimates’ suitability for use on the Salesforce Platform. In no event will any Salesforce products or services (including the Salesforce Platform) be considered “Services” for purposes of this Supplement or the Agreement. The CRM Services are not necessary or required for use of the data.ai Intelligence Services.
